VINTAGE FRENCH MIDCENTURY STEEL ROUND TABLE WITH SWAN MOTIFS AND MIRRORED TOP

\$4,995

A French vintage steel round center table from the mid-20th century, with new mirrored top, swan motifs and duck feet. This French midcentury table features a circular top presenting a nicely antiqued mirror, delicately supported by three swan heads that are bowing down in a graceful movement. These elegant scrolling legs are resting on duck feet and are connected to one another through slightly concave side stretchers. With its elegant silhouette perfectly contrasted by the modernity of its steel structure, this French center table, circa 1950 will compliment any décor beautifully, from modern to traditional.
