## VINTAGE ITALIAN MIDCENTURY BLACK AND WHITE TERRACOTTA SPANIEL DOG SCULPTURE

**\$2,995**

An Italian vintage black and white terracotta spaniel dog sculpture from the mid-20th century. We are immediately drawn to the sweetness of this Italian terracotta sculpture depicting a black and white spaniel dog, sitting gracefully on his behind, his weight slightly shifted to his side. Gazing upwards and his long black ears contrasting beautifully against the white color of his coat, he is marked with sparse black spots on his body. With its nice proportions and realistic execution (note the pink pads under his paws), this Italian midcentury terracotta dog sculpture will be an excellent decorative choice for any home.
