VINTAGE ITALIAN STEEL AND BRONZE CIRCULAR SIDE TABLE WITH SWAN NECKS AND DOORS

\$5,250

A vintage Italian steel and bronze round top side table from the mid-20th century with two doors, swan necks and wing motifs. Born in Italy during the midcentury period, this steel side table features an exquisite circular top, adorned with petite palmettes and accented with graceful bronze swan necks bowing down to touch winged motifs. The façade presents two doors, while the ensemble is raised on four slender legs, tapering down to rest on petite bun feet. With its delicate decor and lovely finish, this Italian midcentury steel and bronze circular table will bring a touch of relaxed elegance to any home.
