VINTAGE PAIR OF MIDCENTURY ENGLISH BAMBOO BEDSIDE CABINETS WITH DOORS

\$2,850

A vintage pair of English bamboo bedside cabinets from the mid 20th century with doors and rustic appearance. Created in England during the Midcentury period, each of this pair of bedside cabinets features a bamboo over wood structure boasting a lovely patina. Each table showcases a rectangular top sitting above a door flipping down to reveal a small storage space. The lower section presents a regular door opening to a larger compartment. The sides and backs are designed with similar materials.

The cabinets are raised on short cylindrical legs. Boasting a nicely weathered patina, this vintage pair of English bamboo bedside cabinets from the mid 20th century will bring a touch of rustic authenticity to any home décor, particularly placed in a bedroom, in a beach house or country home!
