

WHITE PORCELAIN VASES MADE INTO WIRED TABLE LAMPS ON GILTWOOD BASES, A PAIR

\$2,700

A pair of white porcelain vases made into table lamps wired for the USA and mounted on giltwood circular bases. This pair of table lamps seamlessly blends classic elegance with modern functionality. Crafted from pristine white porcelain, these vases exude timeless sophistication. Their clean, minimalist design allows them to effortlessly complement a variety of interior styles. Transformed into table lamps and wired for use in the USA, these pieces offer both exquisite illumination and visual appeal.

With single sockets discreetly integrated into their design, they provide gentle, ambient lighting ideal for creating a cozy atmosphere in any room. Perched atop 6-inch diameter giltwood bases, these lamps exude a sense of luxury and refinement.

The giltwood's rich, glistening finish adds a touch of opulence to the overall aesthetic. This pairing of delicate porcelain and lavish giltwood creates a striking contrast, resulting in a balanced and harmonious design. In your home, these lamps can serve as stunning accents on bedside tables, console tables, or as eye-catching additions to your living room decor. Their soft, diffused glow casts a warm and inviting ambiance, making them perfect for creating a welcoming atmosphere during evenings or intimate gatherings. Whether you place them in pairs or individually, these porcelain and giltwood table lamps are versatile additions that elevate your interior decor. They effortlessly combine classical beauty with contemporary functionality, making them both functional lighting and exquisite decorative pieces. With their timeless charm, they are sure to be cherished elements of your home decor for years to come.
